

John Paul the Great Academy Parent and Family Satisfaction Survey

Thank you for making time to complete this year's Parent and Family Satisfaction survey. As JPG continues this 10th Anniversary year, your responses to this survey will help the school's leaders to assess what is working well and what areas may need improvement. Your input is important to us. Please note that this survey is completely anonymous.

If you have more than one child in a school, please complete only one survey for your family. If you have children in both the upper and lower schools, please complete one survey per family for each school.
