

Call-A-Thon

for the Matching Gift Campaign

JOHN PAUL THE GREAT ACADEMY
10th Anniversary
MATCHING GIFT CAMPAIGN

Call-A-Thon!

We have just \$25,000 left to raise to meet our \$250,000 goal for the Matching Gift Campaign in order to complete the next phase of projects around school. This is where YOU come in! Your mission is to get 25 donations of \$25.

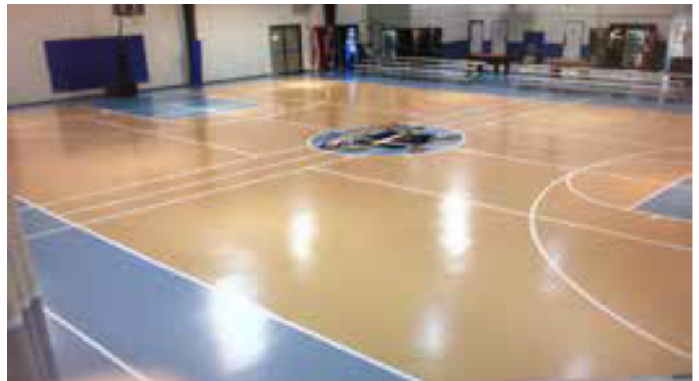

Brainstorm 25 "supporters" to call during our **Call-A-Thon on Thursday, May 4** during extended lunch. **Your list is due this Friday, April 28** to the Front Office. **Your list cannot include JPG faculty/staff, JPG parents, or priests.**

Script...

"Hello, this is _____. How are you today? I'm calling about several exciting projects around school: a badly needed new gym floor and ceiling, clean bathrooms in the main building, new lower school classrooms, and several other projects. The project I'm most excited about is _____ because _____. We are down to the last \$25,00 of our campaign. Each of us needs to get 25 donations of \$25 to meet that goal. Can you help us? ("YES!") How many \$25 donations can I put you down for today?"

"You can donate by 1) mailing a check to school, 2) giving online, 3) dropping off the donation to the Front Office, or 4) I can pick up your check. How would you like to donate?"

"Thank you so much for supporting us!"

Frequently Asked Questions

Progress Bar

Is this Call-A-Thon part of the Matching Gift Campaign?

Yes! This should allow us to secure the last \$25,000 needed to reach our \$250,000 goal for the Matching Gift Campaign.

How much money have you raised thus far for the Matching Gift Campaign?

So far, we have raised \$225,000 of the \$250,000.

What projects have been completed so far in the Master Plan?

So far we have completed many projects, including the building of three sets of fire stairs in the Main Building and the installation of five new Lower School classrooms. We are ready for the next projects!

Why are these projects needed?

- Our gym is more than fifty years old and in dire need of a new floor and ceiling so that we can participate in the ACEL.
- We do not have enough bathrooms in the main building for all of our students, faculty, and staff.
- Our enrollment is increasing, and we need more Lower School classrooms!

Notes

25 donations of \$25
is a total of \$625
raised/student!
