

Who Wants a Faster Carpool Line?

Here are a few tips that will make morning and afternoon carpool run more smoothly and quickly...

- Please be sure to PULL UP as far as you can, so that we can safely load/unload as many cars at once as possible.
- Please be sure to STAY IN YOUR VEHICLE. We will open doors and load/unload children from the vehicles. During afternoon pickup, once all doors are closed, those with children needing to be buckled can pull up to the new “car seat lane” that will be coned off in the parking lot beginning Monday, August 21st. This will keep the line moving, and ensure that the children are safely buckled before getting to Carmel Drive.
- Please be sure to HANG YOUR PICKUP SIGN that will be in your child’s Tuesday folder from your rear view mirror, so all teachers can see which child(ren) belong to which vehicle.
- Please DO NOT USE CELLPHONES in the pickup/dropoff area.

Thank you for helping us to be as safe and efficient as possible
with many children and vehicles!
