

Nominate a teacher who has made a difference in someone's life!

Thursday, January 18, 2018
Heymann Performing Arts Center

RULES:

Nominees must be active educators in Lafayette Parish public, charter, private or parochial school systems, in grades PreK-4 - 12. Visit www.lefoundation.org for the PreK-4 Eligibility Policy. Nominees can be a current or past teacher who has made a difference in someone's life.

Completed nomination form **MUST BE ACCOMPANIED WITH A WRITTEN EXPLANATION** of why the educator is being nominated. There is no limit to how long the nomination can be, but there is a 250 character minimum. Please be specific about what it is this educator has done to make an outstanding difference in your life or the life of someone you know. Paint a picture or tell a story about a particular (unique) experience that left an enduring impression.

NOTE: It is the written explanation that the selection committee considers when choosing the award finalists—not the number of nominations received. LEF discourages having students write nominations as part of a graded classroom assignment. It is strongly suggested that nominations written by children aged 12 and under be accompanied by a letter from a parent or guardian.

Visit www.lefoundation.org for an online nomination form or call (337) 234-3229 for more information.
