

John Paul the Great Academy

ADMISSIONS PROCESS

1. Inquire

We invite new families to learn more about the mission of John Paul the Great Academy by calling us at 337-889-5345, by visiting our website (jpgacademy.org), and by reading our Mission Magazine (jpgacademy.org).

2. Tour

New families, schedule a tour of our school!

3. Shadow / Test / Apply

Schedule a shadow day for your child to experience a day in the life of a JPG student.

During the shadow day, your child will take an entrance exam so that we can determine academic strengths and weaknesses.

Apply to JPG by filling out our online application, turning in all required admissions documents, and paying the Application Fee (see below).

4. Acceptance

The Admissions Department will review your child's shadow day, entrance exam, and application to JPG and notify you of the school's decision regarding your child's admission.

5. Enrollment

Should your child be accepted and you discern that JPG is the right fit for your family, please secure a seat and enroll your child by paying the Enrollment Fee. You may also choose to pay the Academic Fee and Building & Grounds Fee now or with tuition payments.
